## FUNERALS FROM £959

As the 10th generation of a Rutherglen family who has served this area since 1811 providing funeral service and bereavement support, I am pleased to offer all our community the best of care at a difficult time.

Although our original business passed from family ownership in 2011, I've always had the continuing desire to be able to provide a quality service with my own name over the door.

I promise that the families who place their trust in Scott Munn & Co. to assist them at the difficult time of bereavement will sense our dedication to personal care and attention.

I hope you will find a difference because we are different, family owned, and family focused.
